

DALMENY NAROOMA BUSHWALKERS

<https://www.dalmenynaroomabushwalkers.info/>

Program: March to May 2020 - Autumn

All persons joining a walk do so as volunteers in all respects and as such accept sole responsibility for any injury incurred. Each walker is responsible for his/her own safety. It is essential to be aware of your own limitations and stamina. The Dalmeny Narooma Bushwalkers, its office bearers and appointed leaders, are absolved from any liability for any injury or damage suffered whilst engaged on any walk.

Walkers assemble for north walks at **George Noble Park**, Dalmeny and for south walks in the **Montague St carpark** Narooma behind Lynch's Hotel, or as noted in the program. **Please be at the meeting point 15 minutes before the listed departure time.** In the event of doubtful weather, (wet, windy, hot) someone will be at the departure-meeting place to advise whether the walk will proceed.

ANY KNOWN LATE CHANGES TO THIS PROGRAM WILL BE POSTED ON OUR WEBSITE. PLEASE CHECK IT REGULARLY FOR ANY UPDATES, NEW WALKS, OR OTHER CHANGES.

Walk Gradings

Easy Relatively gentle grades and mainly good surfaces.
Medium Includes rough or steep sections. Could require some climbing over natural obstacles.
Hard More strenuous walks involving steep ascents or descents over rougher terrain, and/or longer distances than normal. Suited only to fit and experienced bushwalkers.

These gradings are somewhat subjective, so please phone the nominated walk leader beforehand to discuss if you are unsure of a walk's suitability for you, or for clarification on any other detail. "Hrs" means the total walk time and includes the morning tea, lunch and other breaks. Note however that driving time to and from the walk is extra. Times and distances given are estimates only, and actual figures may vary on the day for any number of reasons.

BYO food, liquid and personal first aid items on all walks unless otherwise stated.

No walks will take place on days of Total Fire Ban. **No dogs** are allowed on any walks.

Walkers usually car-pool to reduce the number of vehicles taken. The Committee suggests each passenger accepting transportation offer a donation to the driver, as per the information for each walk.

Walkers must be guided by the directions of the Walk Leader. This means the walkers stay together to hear the directions of the Walk Leader. Walkers are each responsible for the walker directly behind them and should advise those in front immediately if the 'tail' is lagging for any reason.

Enquiries can be made to these voluntary office bearers:
